

## Growth Capital for windeln.de

- **New investor Deutsche Bank**
- **EUR 15 million financing round from international investor group**

Munich, April 2014 – Windeln.de announces today that DB Private Equity, Deutsche Asset & Wealth Management's global private equity business, has joined its international investor base, comprising of DN Capital (Palo Alto, London), Acton Capital Partners (Munich), MCI Management (Warsaw) and 360 Capital Partners (Milan, Paris).

Windeln.de is fast becoming the leading online retailer in the baby and children category in Europe.

In 2013, its third full fiscal year, the company has seen remarkable growth along multiple dimensions:

- ┌ Product range has increased to more than 55.000 SKUs from over 800 brands
- ┌ New Logistics system has further improved delivery times
- ┌ Sales are exceeding the € 100 million mark, again doubling year on year
- ┌ Strong growth in customer base and customer satisfaction – more than 70% of orders come from repeat customers
- ┌ The windelbar.de Shopping Club is now a significant contributor to overall sales and margin
- ┌ New product categories such as clothing and toys have been added
- ┌ Regional diversification has started with the acquisition of kindertraum.ch in Switzerland at the end of 2013

The funds will be used for further expansion into new regions and categories as well as for organic and external growth.

Alexander Brand, co-founder and Managing Director, says: “We welcome Deutsche Bank as a new investor. Their expertise further strengthens and complements our investor group.” Konstantin Urban, also co-founder and Managing Director, adds: “Now, we can further expand our product offering and provide even better service to our customers. The additional capital will allow our team to continue our fantastic growth.”

“The performance of windeln.de in 2013 was extraordinary, continuing on their upwards trajectory with growth well over 100%”, says Nenad Marovac, Managing Partner of the British VC firm DN Capital, “The strong growth was fuelled by an excellent product range, very lean operations, superb logistics and highly efficient marketing.”
