

Dr. Nils Klein manages the logistics division at windeln.de and is responsible for warehousing, transportation and fulfilment optimization processes. Prior to joining windeln.de, he was VP Logistics of Seven Senders GmbH and took care of both internal and strategic projects in addition to the purchase of CEP services. Previously, Nils was Project Manager and Head of Supply Chain Management of Zooplus AG for two years. He spent the first five years of his professional career at the logistics consulting company 4flow AG in Berlin. Nils Klein studied industrial engineering at the Technical University of Dresden and earned a doctorate there. In his free time he plays volleyball and drums. He lives with his family in Munich.
